Dear Miss Dana:

We've just received the first shipment of our new spring catalogues, and I thought you'd like to see a copy.

Thank you for sending the vita, and the other materials. We'll begin making specific plans for all aspects of the promotion of your book very shortly, and I expect to be in touch to talk them over with you. Margot tells me you will be away from the 17th until the first of the year, so it will probably be shortly after that.

Until then, best wishes.

Sincerely,

Lisa Johns
