Dear Miss Dana,

The Promotion Department is putting together the 1971 Spring catalogue, and they are anxious to have a photograph of Gabriela Mistral to use on the opening two-page spread. (One of Frasconi's illustrations is to go on the cover, and another one inside.)

Do you have one you could send? Or perhaps several - to give them a choice? Time is of the essence. I think the catalogue is due at the printer next week - maybe even overdue.

Thanks so much. And best wishes.

Sincerely,

*Margot Schindler*

(Please forgive my bad typing - )
