Dear Jack,

Many thanks for your good letter of September 9th. I am sending a photostat to Doris, so that she will be informed.

When and as the sample pages are ready, please be sure to have them routed through my office. While I won't be here and will not expect for things to be held until my return, it does give us better control. We shall distribute the sample pages both to Doris and to Antonio and shall then know when they are approved or what amendments are requested.

I am off to Frankfurt at the end of this week but I am going to stay away for a whole month since at the end of the fair my husband and I shall take our long delayed vacation in Italy. I shall be in touch with the office, of course, but the way things look now, I don't think that my good offices will be needed in getting you the approval all around. I hope everything will proceed smoothly and you will be able to start with the typesetting before long.

If there is anything that you think I need to know, please call the office here for information of how and where to reach me.

Sorry you are not going to Frankfurt this year; as always, I am quite looking forward to that big book.

Sincerely,

Joan Daves/dk
