

GRAPHIC & HISTORICAL SKETCH
OF THE CITY OF BOSTON

BY J. W. L. GARDNER, ESQ., OF BOSTON.

The City of Boston is situated on a peninsula, bounded by the harbor to the south and west, and by the water to the north. It is one of the most important cities in the United States, and has a long and interesting history. The city was founded in 1630, and has since that time been a center of commerce and industry. It is known for its many historic landmarks, including the Old State House, the Paul Revere House, and the USS Constitution. The city is also known for its many parks and green spaces, including the Public Garden and the Boston Common.

The city of Boston is a beautiful and historic city, with many interesting landmarks and a rich cultural heritage. It is a city that has played a major role in the history of the United States, and it continues to be an important center of commerce and industry. The city is known for its many historic landmarks, including the Old State House, the Paul Revere House, and the USS Constitution. The city is also known for its many parks and green spaces, including the Public Garden and the Boston Common.
