The New York Public Library
is a non-profit corporation
organized in 1895
to acquire, collect, and
preserve books, manuscripts,
and other materials of
permanent value to the
community. It is the
largest library in the
United States, with
over 50 million items.

Open to all
The library is open to all
people, and is a place
where everyone can
come to read, study,
and borrow books.
It is a place where
people can find the
information they need
to live better lives.
The library is a place
where people can
learn, grow, and
improve themselves.
It is a place where
people can find the
answers to their questions,
and where they can
discover new worlds.
The library is a place
where people can
find the joy of reading,
and where they can
discover the power of
knowledge.
