

THE JOHNS HOPKINS PRESS Baltimore, Maryland 21218 (301) 433-2100

11412.1

May, 1971

Dear Review Editor:

Enclosed is an advance copy of Selected Poems of Gabriela Mistral, which Johns Hopkins is publishing in simultaneous cloth and paper editions on June 30.

Regular cloth reviewers' copies will not be ready for several weeks--unforeseen printing problems delayed the arrival of books beyond our projected date. Although you will, of course, receive a cloth copy at that time, we decided to send you this advance paper copy so that you might prepare your review well in advance of the June 30 publication date. While they contain a few printing imperfections--which will be corrected in the final press run--these paper copies are certainly adequate for review purposes.

Yours truly,

Lisa Johns
Publicity Manager
