Dear Ms. Dana,

Last year we approached Joan Daves literary agency for inclusion of two poems by Gabriela Mistral in our forthcoming anthology, *THE OTHER VOICE: WOMEN'S POETRY IN TRANSLATION*. The poems are known to me only by their English titles: "Rocking" (translated by Marcia Falk) and "Bread" (translated by Kathleen Weaver and Allan Francovich). Ms. Joyce Campe tells me she referred our inquiry to you, but your reply has not yet reached us.

We are about to go to press, and I'm afraid that if we haven't then received your permission to include these poems we will have to omit them. I would appreciate it if you would give our request your earliest attention; in fact, please call me collect at the above telephone number with your decision.

Copies of the two translations are enclosed.

Sincerely yours,

John W. N. Francis
