Re: Invoice #46167

Dear Mr. Goellner,

Miss Dana wishes to advise you that the enclosed invoice is a duplication.

As per telephone conversation between Doris Dana and John Brain, back in 1971, 5 paperbacks should be gratis as they were used strictly for promotion. On the same telephone call with Mr. Brain, Miss Dana ordered 5 hardcover books to be charged to her account. This was done on invoice #47572. These books arrived after considerable delay. The paperbacks arrived with special handling and included in the package was invoice #46167. This invoice #46167 is erroneous.

Miss Dana requests that this invoice be credited promptly by a special check in the amount of \$30.77 to clear her records.

Thank you for your personal attention to this matter.

Sincerely,

Joyce Campe,
Bookkeeper
