Dear Doris:

Can I ask you the very great favor of checking a few last phrases in *La Vida* which are still eluding us? They are marked either in red or in pencil, and the sides of the records on which they occur are indicated at the top of the page.

Although I hate to trouble you in this way, we do need accuracy, and don't know anyone else well equipped to give it to us. We'll try to make it up to you in some way!!!

Our best to you,
Gabriela and everybody,

Barbara
