Dear Doris,

The Caseman "girls" are anxious to finalize our agreements on the Mistral recording and to put it into production.

I have their proposed contract and lots of notes about this. I could write you about all of this in detail but if there is a chance that you will be in New York during the next week or the one after next, it might be easier for us to get together for a half hour and settle it all.

Give me a call and let me know how to proceed.

Love,

Joan Daves/dk

P.S. As of the moment in which I am dictating this, there has been no word from John Hopkins Press. Do you suppose that they all went into a deep state of shock upon receipt of my letter?!
