Dear Miss Dana:

We are thinking to publish in Departamento Editorial del Ministerio de Cultura, "Lecturas para Mujeres", by Gabriela Mistral.

As you are the owner of literary property -in verse and prose material- of the great Chilean poetess, we beg you to write us -if you accept our proposition- giving in your letter a signed authorisation for this new edition. We offer you 400 copies of a publication of 2.000 books, (20% of the whole edition).

Hoping to hear from you as soon as possible, and knowing that you are interested in the general field of our cultural activity, I am sincerely yours,

R. Trigueros de León
Director del Departamento Editorial.

P.S.

We are also interested in every page of Gabriela's prose. (Her direct work).

Will you, please, tell us if you can make a selection (unpublished) for another edition?
