Re: Dana/^{Mistral}CRICKETS AND FROGS

Dear Margaret,

I'm sending you herewith some material which Doris Dana worked up for use in conjunction with the sale and promotion of CRICKETS AND FROGS. The items sent consist of the following:

A. The review copy listing as set up by Johns Hopkins Press for THE SELECTED POEMS. Obviously, there will be quite a number of media you will not find useful for your purposes, or else duplicate your own list. However, I have indicated with a red cross those 10 media which have given especially good reviews to THE SELECTED POEMS.

B. This group details the book stores which have done special promotion for Doris' former books and indicated a special interest in being covered by your salesmen. / which

C. This group contains the names which Doris suggests for advance copies. This may have to be cut down, I realize, but all in all these people have proved to be very helpful because of their special interest in either Mistral's or Doris' work.

D. This listing contains Doris' own suggestions as to whom review copies should be sent, additional to the Johns Hopkins Press Review listing.

Affectionately,

Joan Daves/ek
