Dear Doris:

I received " Crickets and Frogs" today and think it is just fantastic and should be very easy to adapt to radio. I tried to call you at Bridgehampton but you weren't in. Please call me at your earliest convenience to discuss having Luce Castaños come in to record it. I have solved my day care problems much sooner than expected and so we can start working on the larger project of Gabriela Mistral some time next week if that is convenient for you.

Sincerely,

Steffi Muñoz
