Dear Professor Meza Flores:

This is just a note to tell you how deeply moved I was by the introduction you gave me at the meeting of the Circulo Iberoamericano en la Universidad de Columbia. It was a great honor and one which I will never forget. In paying tribute to me you were at the same time paying a beautiful tribute to Gabriela herself.

Both the Latin Americans who attend these meetings of CIUC with such enthusiasm, as well as those of us in the United States who deeply love Latin America, are equally indebted to you for the marvelous work you have done in presenting artistic and intellectual programs of the highest quality. I wanted to tell you the other night, but there was such a crowd that it was difficult to talk - as President of CIUC you have inspired and effected many outstanding works and I'm sure that Gabriela would be proud that it is a colleague of hers and a Chilean who has contributed so much to the field of education and who has so greatly enriched the cultural life of New York City.

My thanks again for your words the other evening and I want to tell you how deeply I appreciate the honor.

With gratitude and esteem,

Yours sincerely,

Doris Dana
