Dear Julia:

In all the confusion and frantic preparations to leave, I did not get to return the enclosed clippings to you as you had requested. You did not ask for copies but I made an extra one for you (enclosed) with the last "Copy-Mate" paper I had. I would have made more for you - but had no more copying paper.

I appreciated, too, the newspaper photograph and I thank you for all this material. You are a real angel!

It takes so long to get mail sent out from here - well over a week. A kind neighbor is leaving this morning by plane for New Jersey and has offered to take anything urgent to mail from the States. So I hope this will arrive soon.

It is beautiful here! - You would love it! It is warm and peaceful and I'm getting good work done. And Gigi is entranced with a pretty little goat who lives outside our back door!

I hope your arthritis is better and that you are well and happy. Margit and Norma Verga and Gigi join me in wishing you the happiest of New Years.

Un abrazo muy cariñoso,

c/o James Needham

Did Zoila ever get a chance to write the Review?
I have not yet heard anything from her.

P.S. A teacher and poet at Cooper Union suggested that Mario Neza contact him. I hope he did. I phoned Mario about it and also wrote to him.
