Re: Gabriela Mistral

Dear Mr. Costa,

We have come across a volume entitled VIDA Y OBRA DE GABRIELA MISTRAL, edited by Lautaro Silva and published by Editorial Amiana in Buenos Aires in 1967.

This volume which was published without permission of the Estate contains a great deal of material. We do not seem to find Amiana listed in our reference books; do you know them, and do they have a bona fide publishing program? Although it may be a bit difficult to get redress from the publishers after five years, we would like to try and do so, and would appreciate your suggestions.

With thanks,

Yours,

Joan Daves/ek
