Mercedes (Chita) G. Huidobro de Duble affectionately greets her ever-remembered friend, the great artist Dr. Jacques Lipchitz, and takes pleasure in presenting Miss Doris Dana who brings this to you, the distinguished North American writer whom it has been a great pleasure to know through her literary relationship with Chile, and who has been kind enough to take to you a copy of the letter that some days ago last December I sent to you by Airmail to the Otto Gerson Gallery because I did not know your home address.

Chita thanks you in advance for the attention that you can give to Miss Doris Dana.

P. S. My husband and I wish you health and happiness for the New Year.
