Mr. Jacques Lipchitz
Marlborough-Gerson Gallery
41 East 57th Street
New York, New York

Dear Mr. Lipchitz:

The two attached letters from Mercedes Huidebro de Duble one dated December 15, 1965 and the other January 3, 1966, are self-explanatory, and I am enclosing translations in English for your convenience. Chita entrusted to my care on my recent trip to Chile your beautiful bronze bas-relief which she acquired from you in 1925.

She asked me to discuss this with you in the hope that you would write a letter acknowledging it as one of your works, and also guide me as to what collectors might be interested in acquiring this work. Would you be so very kind as to inform Mrs. Gerson if it would be possible to talk with you about this matter.

May I take this opportunity to express my very deep admiration for your great work.

Very sincerely,

Doris Dana
