Dear Miss Dana:

When you were in Santa Barbara about a year ago, I met you at Magda Ace's apartment. I am the person who drove ahead of you so you could orient yourself on the highway.

About two weeks ago Joyce Hogan and Rhea Leyva came to my house for dinner and it was on that evening that we phoned you. I am terribly disappointed in Magda because of the many lies and way of handling her "find" as she calls it. Even my son Douglas, who took the photographs that appeared in "Vea", was a tool used by her.

We are going to Chile next month (plan to leave sometime during the first week) and I would be glad to speak to the cultural attaché at the U.S. Embassy. It would be better if you would write a letter, giving me his name and the exact nature of the matter as you presented it to him. It's very difficult to get things done by mail, so if I can help you in this way, don't hesitate to let me know.

Sincerely
Edna H. White

P.S. - I don't have the bill for the phone call, yet.
