Dear Contributor:

As you know from our previous expression of thanks to you, we were much pleased with your contribution to last year's Yearbook. We should like you to write on the same subject for this year's Yearbook which covers the year 1955. Please excuse this form letter, but it greatly facilitates the handling of our correspondence.

Our proposed deadline is Dec. 15. Entry title and wordage are indicated below. Enclosed is a tearsheet of last year's material to refresh your memory. Please keep in mind that — where possible — when persons are mentioned, first names should be included; when specific events are mentioned, specific dates should be given.

We hope that, whatever your pleasure in the matter, you will reply by return so that we may schedule the article. Thank you for your cooperation.

Sincerely yours,

*Curtis L. Johnson*
