Re: *Sol Poems* Mistral

In order to economize, the University has suggested that we begin reporting and paying royalty on an annual basis, instead of semi-annually.

We believe that the once-a-year reporting would be a better policy for all concerned. Even though you will receive only one check per year, it will be a larger one, and you will have only one receipt per year to keep track of for tax purposes.

We propose to change the royalty clause to read as follows:

To render statements of accounts annually as of December 31st, and to make settlement within five months after the close of the accounting period.

Please sign and return one copy of this letter for our files, as an indication of your approval of this change.

Very sincerely,
