Dear Miss Dana:

I have just received a copy of Gabriela Mistral,
El Poema de Chile, which you have revised. I
can't resist commenting on the beauty of the book,
the style and format, and the helpfulness of the
explanatory notes.

As I have gone through the work, I have come across
several selections that would interest me for
translating. Since I have been informed that you
are the literary executor for Gabriela Mistral, I
am asking whether you would consider giving me
authorization for selected passages.

Again my compliments on your edition of El poema
de Chile.

Sincerely yours,

Edna L. Furness
