Dear Doris:

I wrote you a note on July 18th and July 6th regarding copyright permission to publish in microfilm as part of my Cotejo... the texts of the poems in the POESIAS COMPLETAS DE GABRIELA MISTRAL in which there are many changes. These changes are described in my Cotejo... but the confrontation of the texts in question would be more helpful to scholars.

Since I have not heard from you I assume there are difficulties involved and so I have decided on the following:

I will publish my Cotejo... separately with copyright. This will contain only my notes, the pages that were typed originally for Aguilar which you have seen.

The material for which I would need permission from you I will microfilm separately with another title, APPENDIX TO THE COTEJO DE VARIANTES DE LAS POESIAS COMPLETAS DE GABRIELA MISTRAL. This will not be published or copyrighted until I receive permission from you. The microfilm will be used by the students at the University and marked very clearly that no copies of it may be made at the University and that it may not be lent to any other library.

I do not need permission for this, I am told, since no publication in a legal sense is involved.

I have received Aguilar's announcement of books that are expected soon but no mention of the POESIAS COMPLETAS... Do you have any idea when the third edition will appear?

With best regards,

Very sincerely yours,

Margaret Bates
