Dr. Howard F. Cline, Director
Hispanic Foundation
The Library of Congress
Washington, D.C.

Dear Howard:

It was good to hear from you and to know that Pancho Aguilera's Introduction is coming along so well.

As for your request about the issuing of the Gabriela Mistral recordings made by the Library of Congress, I am of course very much for it -- and have been ever since these recordings were made. This should be a good time to issue them. I am informing Joan Daves of your plans so that you and she can work things out.

You make no mention of having ever received the copy of my book of translations that I mailed to you some time ago. This worries me! Please let me know whether or not you received it.

I am enclosing the six poems that I withheld from the book for further polishing. With these pages the entire text of poetry is complete. Please note that I have substituted BALADA for TRIBULACION. I am also enclosing a corrected copy of the Table of Contents and of the index of Themes.

As soon as they are complete, I will send you copies of my Foreword and notes.

With warm regards,

Doris Dana
