Dear Doris:

This follows up on our recent telephone conversation concerning the record of Gabriela Mistral poetry.

You will recall that we discussed the possibility of your sending us a selection of photographs of Mistral, for use on the front of the record jacket.

You mentioned "el hijo" on the tape. You will be glad to know that we have corrected this and the expression "el hijo" will not be on the record.

Finally, for your information I am enclosing a copy of the brief statement about Gabriela Mistral to appear on the back of the record jacket. This statement is to appear in English in the right hand column and in Spanish in the left hand column. I should add that for the jacket we are limited to forty two lines. The titles of the poems will be listed in a center column.

Since things are now beginning to move on preparation of the Mistral record, I would appreciate your sending the photographs at your earliest convenience. We shall return the photographs as soon as possible.

Howard joins me in sending best wishes.

Sincerely yours,

Don
