Miss Doris Dana
Literary Executrix for Gabriela Mistral
Hack Green Road
Pound Ridge, New York 10576

Dear Miss Dana:

Thank you for your letter of April 6, 1968, informing me that your agent, Miss Joan Daves, is preparing negotiations for the English language publishers of the Gabriela Mistral material. In reply to your letter I am sending this manuscript, which I have designated SELECTED POEMS OF GABRIELA MISTRAL: A Bilingual Edition with English Translations.

It will be a favor if you would care to look at the manuscript and let me know whether you would choose to show the work to the publishers and whether there might be possibilities for publication.

I might add that I have translated some other selections, which I should be glad to send you, in case some interesting arrangement develops.

I do appreciate your kind attention.

Sincerely yours,

Edna L. Furness
Professor of Language
and Literature
