Hon. Mr. Alfredo Rocco,
President of the Institute of Educational Moving Picture,
Rome

Dear President:

I have just received the good ^{news} of my reelection ^{of your Excellency} in ^{the} your proposition, as a member of the Institute. This ^{now} reached me ^{late} because my correspondence had not been sent to Porto Rico. Now that I am informed I want to express ^{your Excellency} my deep obligation. I feel very happy of owing this distinction to ^{your Excellency} your ^{as an} educator and as ^{an} Italian.

I have been appointed consul of Chile at Madrid and I have just taken possession of my charge. Although this position means a step in advance in my consular work I shall always regret the official difficulties which prevented my remaining as consul of Naples, and because, in any European country that I may live, I shall always feel the sensation of an exile from Italy, country which I deeply love.

I am in Spain completely at your disposition and ready to serve the Institute at any time. I ~~am~~ am planning to attend
