Secretary-G. To Gabriela Mistral, c/o Consulate of  
Chile, Los Angeles, California

Madam,

On behalf of the Presiding Council I have the honour to submit to you the enclosed declaration adopted by the Acting Council on the occasion of its recent meeting at Geneva.

Recognizing however, the significance of such a step, the Council felt not competent enough to decide alone. Therefore, I am charged to submit this statement to the most responsible representatives of the spiritual life and to beg for examination and if you can agree for returning a signed copy. This, I consider, would be an individual contribution in serving the common defence of spiritual liberty and obligation.

Furthermore, I have the honour to ask for information, whether you would be able to accept the election as an honorary member of the Academy and the Presiding Council. I am sure, this step would lead to a progressive strengthening of our common responsibility in defending peace and human rights.

Hoping you may be able to let us know your decision soon, I have the honour to be, Madam,

respectfully Yours,  
G. M. Deutsch
