Dear Friend:

Once again I want to welcome you back to New York to your great mission.

I also wish to tell you how grateful we are that you have consented to be with us at our meeting in Town Hall on the afternoon of Wednesday, May 22nd at 5:30 P.M. This meeting held in collaboration with the East and West Association will be devoted to The Role of Women in World Unity.

In addition to yourself, we are to have the pleasure of the presence of Pearl Buck, Nobel Prize winner; Miss Helen Kim, president of the Womens' University of Korea; Mrs. Rama Mehta, president of the All-India Womens' Congress and others. We sincerely hope that this meeting which will gather together several thousand women, teachers, writers, social workers, and others -- may sound a challenge for greater participation of women in the critical problems that confront humanity.

With my sincerest personal affection and esteem, believe me,

Cordially,
R. R. S. G.
Frances R. Grant,
President
