Dear Gabriela Mistral:

Thank you for the beautiful address you made to our Luncheon in Washington. The endorsement you gave to our Declaration of Principles has been of the greatest help and we look forward to the article you will write about this statement.

I am enclosing three copies of your address and send them to you with the greatest admiration of all our members and my own affectionate regards. It was wonderful to have you with us for a little while and we want you to come again.

Faithfully yours,
