My dear Miss Dana:

Welcome back to these United States! I am delighted to hear that you have returned to us, and that your trip was very successful and productive.

I am returning the book and magazine. Sorry to have delayed a week in complying with your request, but we were very busy with last minute arrangements for our annual workshop. Thought you might like to see the program.

Thank you for the invitation to see you again. Sometime in the spring, I hope to return to hear the tapes of our Gabriela. I received a long letter from Ester de Cáceres. Her message to you is: "Si ve Ud. a Doris, querida Hermana, tenga la caridad de decirle mi cariño y cuanto sufro por su largo silencio." So - why don't you write to her?

God bless you, dear Miss Dana. I hope that we shall continue to keep in touch. Please let me know when the new volumes of poetry are published.

Very sincerely yours,

Sister Rose Aquin, O.P.
