Dear Miss Dana:

Just in case you don't know it, you made me lose several hours of sleep last night, lying awake praying and wondering what I should do about last night's phone call. This morning, I had the answer, so I have just written to Bishop Fulton J. Sheen about you.

You deserve the best, so - if he is not off on one of his missionary tours - you will hear from him, either directly or through me. If you hear first, please, let me know. Of course, I'll contact you immediately as soon as I hear.

Gabriela has known what it's all about since January 10, 1957. Of course, she is watching over you and wanting you to share her joy.

Be assured of my continued prayers, and again, Happy Easter.

Sincerely,

Sister Rose Aquin, O.P.
