Black Green Road

Dear Miss Dana:

At the suggestion of Dr. Francisco Aguilera of the Library of Congress I am writing to you with respect to some research I am doing on Gabriela Mistral. My questions are: What is the possibility of obtaining information about the Gabriela Mistral papers which were found in Santa Barbara? Also, is there microfilm copy of these papers?

Dr. Aguilera tells me that a new book of poetry edited by you is coming off the press soon. My best wishes for your success in this endeavor. I am very much interested in this publication and would appreciate your informing me of the publisher and the date.

I do trust that my writing you does not inconvenience you. Please know that I shall be only too willing to recognize any assistance that you may give me.

Sincerely yours,

Edna L. Furness
