Turin, May 24, 1957.

Dear Doris Dana.

These rules are arriving a little late, but I hope in time for the purpose. You imagin I'm speaking about Gabriela departureit has been really a bad news. I was in hospital by a car accident, when I got the news. I was not able to write, now is another thing, I'm alive and healthful again.

To day my thought is running to you for condolences, not ritual but sincere, of a commonly man interested in human fact if existence....and Gabriela has been master of poetry of it.

I've no words ,no comment except a Lorca's poetry:

Tierra.
Andamos
Sobre un espejo
Sin azogue,
Sobre un cristal
Sin Nubes.
Si los lirios nacerian
Al reves;
Si los lirios nacerian
Al reves;
Si todas las raíces
Miraran las estrellas,
Y el muerto no cerrara
Sus ojos...,
Seriamos como cisnes.
