Señora Dofia Joan Daves
145 East 49 Street
NEW YORK 17, N. Y.

Dear Miss Daves:

In your last letter, dated July 16th, you told me, that Miss Dana was going to do some preliminary editorial work on "Gabriela Mistral" and wanted to write to me regarding our offer for an edition of that anthology of the religious poetry. As I am without further news since several months, today again I take the liberty to ask you for information about the situation of the matter. That is to say: If Miss Dana accepts the well-known conditions and at the same time we should like her to send us the text of said anthology, which, of course, would go prefaced by the person you indicated: Sra. D^a Palma Guillen de Nicolau.

Looking forward to hearing from you, and with my best wishes for this new year, I remain

very sincerely yours,

Enrique Baños
