Dear Father Wyse:

Thank you for your letter of January 22 which I received recently.

I am enclosing a letter to you from Gabriela, and wish to tell you how much she appreciated receiving the copy of the picture taken the evening of December 11th. It was very kind of you to have sent it.

As I believe Gabriela tells you in her letter, our permanent address is now

Casella 69
Rapallo, Italy

Thank you very much for your offer of sending more programs. Gabriela would be very grateful.

Gabriela also specially wishes to thank you for your kindness in offering to send your review THE AMERICAS.

In spite of the famous wonderful climate of the Ligurian coast, we have had nothing but rain and cold winds for three weeks now. But things are bound to brighten up soon. It is so unbelievably beautiful here, and the people so gentle and kind, that I feel sure Gabriela will be very happy in her work here.

My very kindest regards to Father Wheeler, and my thanks and devoted greetings to yourself.

Very sincerely yours

Doris Dana
