Dear Colleague:

Thank you ever so much for your trouble and splendid cooperation in sending me the names of fellow writers in Latin American countries. The appeal to these colleagues will, I am sure, prove to be of the greatest value to the success of the genocide cause.

I have written to the writers you suggested in Chile, Cuba, Mexico and Uruguay, as well as to Dr. Canargo. Enclosed you will find a sample copy of the letter.

Let me express again my deep appreciation for your kind efforts. You will soon receive the list of delegations you requested and I would highly appreciate your writing promptly to those persons on the delegations that you consider suitable to approach.

Very sincerely yours,
Pearl S. Buck
