Dear Miss Mistral:

This letter is sent in haste in order that I may ask you urgently to draw the attention of your Minister of Foreign Affairs to the Bogota Conference, where a resolution in support of the genocide convention should, I think, be introduced by the Chilean delegation. Such a resolution will strengthen the position of all Latin American delegations at the forthcoming sessions of the Economic and Social Council of the United Nations and ultimately at the next session of the General Assembly.

Thank you very much indeed for any cooperation you can give us.

Yours very sincerely,

Pearl S. Buck
