Dear Mathilde Pomes:

I have just returned from Chile this week, and found your very kind letter waiting for me. Thank you for giving me the necessary information regarding the contract with Seghers.

Could you tell me who is the Director of Seghers, as well as the name of the Director of Stock, as I wish to write to them directly as soon as possible.

When my plans are more definite concerning my visit to Europe, I will inform you. I look forward to the pleasure of meeting you, and in the meantime I send you my thanks, and my warm regards,

Sincerely,
