Dear Miss Dana:

I was reminded this morning that I had not yet sent you any copies of the Spanish edition containing the Kinsey commentaries so I hasten to correct that oversight. I enclose six copies of the issue.

As you will see, we had to shorten Sororita Mistral's commentary slightly but we feel it came out very well. Many thanks again for your help. We shall now wait for the readers to start commenting.

Sincerely yours,

William P. Gray
