New York 3, N.Y.

Dear Madam,

We would like to publish a composition by Gottfried von Einen for Voice and Orchestra which includes settings of four copyright poems as well as four purely instrumental movements. One of the poems Mr. von Einen has used is "DICH ERWARTEND" by Gabriela Mistral.

We have obtained permission from Hermann Luchterhand Verlag GmbH for the use of this poem but they have advised us that they own the German language rights only, and that for permission to make any translation of the poem we would have to apply to you.

We are therefore writing to enquire if you will kindly give us permission to translate the poem "DICH ERWARTEND" into other languages. The only translation we would need to have made immediately is a translation into English but the necessity might arise at a later date for other translations.

Yours faithfully,
BOOSEY & HAWKES MUSIC PUBLISHERS LIMITED
