To Whom It May Concern:

This is to confirm the arrangements made between Mrs. Pilar Escudero Catedrático de Música, Raimundo F. Villaverde, 15, Madrid 3, Spain and myself acting as executrix for the Estate of Gabriela Mistral regarding the commercial use of Gabriela Mistral's FONDA DE NIÑOS. The projected commercial use is to include recordings, television and radio rights in accordance with the information given in Ms Escudero's letter dated February 29, 1972 addressed to my agent, Joan Daves, New York. It is further agreed that all income derived from the above-mentioned use is subject to the International Regulations of the C.I.S.A.C. (International Confederation of Authors' and Composers' Society) and that 50% shall go to the composer and 50% to the Estate.

This is to authorize Ms Escudero to register the material with the Authors' Society of Spain. It is understood that the Authors' Society in Spain will collect all fees and remit them together with accountings within two weeks to the Authors' Society in Chile. The Authors' Society in Chile is to be instructed to forward the income to Joan Daves, 515 Madison Ave., New York, N.Y. 10022, within two weeks of its receipt.

Ms Escudero will be responsible to forward within three days of receipt from the Society of Authors in Spain to said Joan Daves a duplicate of the accountings which she received from the Society.
