Dear Madam,

Thank you very much for your letter.

I have the pleasure of sending you in a separate envelope the plaque won by the song RONDA DE NIÑOS at the T.V.E. contest together with the record recorded by T.V.

As for the use you want to know I would like to give it of course it will be of commercial use (recording, T.V., radio...) Being as it is a beautiful children's text I would like to have it known by most schools and there is an ample way for it here in Spain and the Spanish speaking countries as I am a professor of Music at one of the Schools for Teachers (Toledo, Spain). In order to have it registered at the Author's Society in Spain I need the permission of Ms. Dana to have it published.

As for the way to split the income derived from the International Regulations dictated at the International Confederation of the Author's and Composer's Society (C.I.S.A.C.) that 50% should be for the Author's text and another 50% for the composer.

The Spanish Author's Society is the only one to deal with The benefits could be sent to the address you would say (Author's Society in USA or the Author's Society in Chile) through the Spanish Author's Society in Madrid which is the only one Agency which is legally authorized to do it. If you have any more questions about it I will be glad to give you the answers.

Looking forward to your reply at your earliest convenience I remain as always

Sincerely yours.

(Miss) Ms Pilar Escudero/
