New York, 18, N.Y.

Dear Joan Daves:

I am including three typewritten pages to serve as a short explanation of the definitive edition of the Poesías completas de Gabriela Mistral (In this mail I am also sending a copy to Doris Dana). Aguilar will want a longer introduction so I would suggest that they reprint an article by the Spanish poet, and musician, friend of Gabriela, Gerardo Diego, "Imperfección y albricia" which appeared in Homenaje a Gabriela Mistral, Premio Nobel 1946 (Madrid, 1946), pp. 37-42. Doris has a copy of this book (there were only 200 printed).

With very best regards,

Margaret Bates
