Dear Doris:

Enclosed you will find an article I am sending off for publication. I have microfilmed the variants and copyrighted them without the texts of the poems. I hope I will have permission to include texts that have many variants in the second edition of the Cotejo...

The death of Adlai Stevenson has left a hole in the Democratic party. I looked closely for you in the television pictures of the mourners at the Cathedral here. But no Doris.

If there is anything in the article that you think is not clear or misleading, please let me know.

Sincerely,
M. B.
