Dear Doris:

TWO THINGS: 1) DESOLACION is out of print in the Austral edition according to Robredo in Mexico. Do you know when it will be in print again?

2) After speaking to you by phone I decided to leave the DESOLACION manuscript with CASTALIA until a final decision is made regarding the printing. I have eliminated Castalia as the PUBLISHER but not necessarily as the printer. Her bid might turn out to be low for the printing. I am told Garriga is not so high but as yet don't have a quote. In the meantime will leave one copy of the MS with her.
