Dear Doris:
I have been calling you off on on for a few months but no Doris (516-537-0041?) I hope at least on a Mediterranean cruise.
At Christmas I received a card from Pura Belpré White who told me she had contacted you. Did anything come of it? Also a Christmas card from Palma Guillén inquiring about you. She liked the Johns Hopkins book.
Did you see the article in the ABC... about Gabriela and the Roslyn house?
When you get a minute I hope you will give with "señales de vida"
(301-229-1122)

*Mucho Love,
May*
