Dear Doris:

I received a letter from the Univ. of Alabama Press (I had ordered the book of Rudd) saying:

"This title was withdrawn by the author and never published by us.

University of Alabama Press
(no signature) "

The bibliography in MASTERPIECES.... was compiled by Angel Flores. If Helen Anderson had done the work I don't think she would have included books that don't exist.

Mucho love,

M. B.
