Miss Doris Dana,
204 East 20th Street,
NEW YORK.

Dear Miss Dana,

Owing to some mixup with the air company I had to leave New York on the following day and then was stuck in Miami for several days. This is why I was unable to send you the agreement and cheque re the use of twelve poems by Gabriela Mistral in a non-commercial edition to be published for and on behalf of the Departamento de Instrucción Pública de Puerto Rico. Enclosed please find cheque No. 1246 on the First of Boston International Corporation for US\$50.--. Very kindly sign the authorization twice, i.e. once authorising the use of the poems and secondly acknowledging receipt of the amount of US\$50.--.

I should consider it an honour to represent the estate of Gabriela Mistral, and I do think that our agency could be useful to you. Enclosed list of some of our recent sales and testimonials by authors and publishers. We have been very successful on behalf of Juana de Ibarbourou, who can give you references. Her address is 8 de Octubre, 3061, Montevideo.

I could pass offers to you on individual works and the complete works if you could give me the list of those works that are available, or are available for re-issue for the Spanish language, to begin with. Perhaps the contract with Aguilar does not include all works by Gabriela, and it would then be possible to sell the rights in complete works. If you are not satisfied with contracts made with Del Pacifico perhaps the contract could be cancelled because surely enough there will be some clause that will permit declaring the contract null and void. In case of any doubt it would be practical to send me copies of any agreements you have with Del Pacifico. Without even looking for buyers, I have already three who would be only too happy to obtain contracts against acceptable fees.

Awaiting your kind news,

Yours sincerely,
INTERNATIONAL EDITORS' CO.

Bernard Herz.
