Miss Doris Dana,
204 East 20th. St.,
NEW YORK.--

Dear Miss Dana,

This is to confirm my letters of the 3rd. and 30th. April. I am at a loss to understand your silence and shall appreciate your sending me the authorization-cum-receipt which I sent you. I know that you accepted the offer because the cheque has been cashed.

Lautaro made an offer for a volume of poetry, of US\$125.-- advance. They say that their selection will not hurt any other volumes.

I have now three offers for you and would like you to react hereon. If you have any doubts about the legal aspect I think it would be best for you to send me copies of the contracts made with Del Pacifico, Losada and Aguilar. I also repeat what I told you over the phone, i.e. that if Zig-Zag have not had books they will certainly want them and they do pay excellent advances. I am selling them poetry and anthologies by Juana de Ibarboureou against the highest advances ever paid for poetry at this end. Will you be kind enough to drop me a line by return of airmail whatever the situation.

Yours sincerely,
INTERNATIONAL EDITORS' CO.
